

## School account set up guide.

### Teacher log in

Teachers are able to login to update their students account details. They can do this by using the link below or by clicking “Login” in the top right hand corner.

[www.nutritionprogram.co.uk/login](http://www.nutritionprogram.co.uk/login)

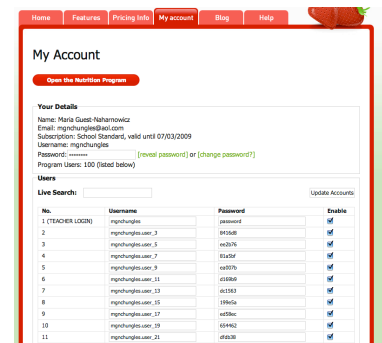

### Updating username and passwords

In order to update the username and passwords of student accounts, teachers must log in with their chosen username and password to the link below:

[www.nutritionprogram.co.uk/login](http://www.nutritionprogram.co.uk/login)

We suggest providing students with usernames like john.smith so it is easy for them to remember.

### Student log in

Students must log into the program directly using their allocated username and passwords. They can do this by either clicking the “Open the Nutrition Program” button or by using the link below

[Open the Nutrition Program](#)

OR
